Damaged Goods: Our merchandise is carefully packed and thoroughly inspected before leaving our plant. Responsibility for its safe delivery is assumed by the carrier upon acceptance of the shipment. Claims for loss or damage sustained in transit must, therefore, be made upon the carrier, as follows: **Concealed Loss or Damage:** Concealed loss or damage means loss or damage which does not become apparent until the product has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When the damage is discovered upon unpacking, **SAVE ALL PACKING MATERIAL.** Make a written request for inspection by the carrier's agent within fifteen days of the delivery date and file a claim with the carrier. By following these instructions carefully, we guarantee our full support of your claim to protect you against loss from concealed damage. However, if the claim is denied due to the consignee's failure to comply with the claim procedure herein outlined, the consignee will be held liable for the damaged or lost merchandise. No credit will be issued. If necessary, contact Omnimed, Inc. at 800.257.2326 for detailed instructions regarding filing claims for damaged goods.

Visible Loss or Damage: Any external evidence of loss or damage must be noted on the freight bill of lading receipt, and signed by the carriers agent. The form required to file such a claim will be supplied by the carrier. Please do not return damaged products to us. We will not accept return shipments without written or verbal authorization.

Product Return: Obtain authorization before returning any product. Product must be returned as received. Save the carton and packing material for safe return shipping.
