# Omnibeam Chart Carousel

Cat. No. 264607 Floor Model - Triple Tier

- 1)** Remove shipping carton and dunnage from top and sides surrounding chart carousel.
- 2)** As shown in **FIGURE 1**, utilize at least two people to remove top tier of chart carousel. To remove, grasp the large bottom disc of the top tier and raise up equally along center column. Carefully place top tier on flat surface for later re-assembly.
- 3)** Cut away plastic straps that secure base of chart carousel to skid. As shown in **FIGURE 2**, grasp the large bottom disc of the middle tier and lift off of skid.
- 4)** With chart carousel now standing upright on floor, re-assemble the top tier by reversing the procedure of step 2.
- 5)** Chart carousel is now ready for use. Current configuration of wire organizers is for 1 1/2" or 2" top or side open ring binders. If large binders are used, remove wires and reposition as needed.
