

Instruction Sheet

Laptop Wall Desk #291559

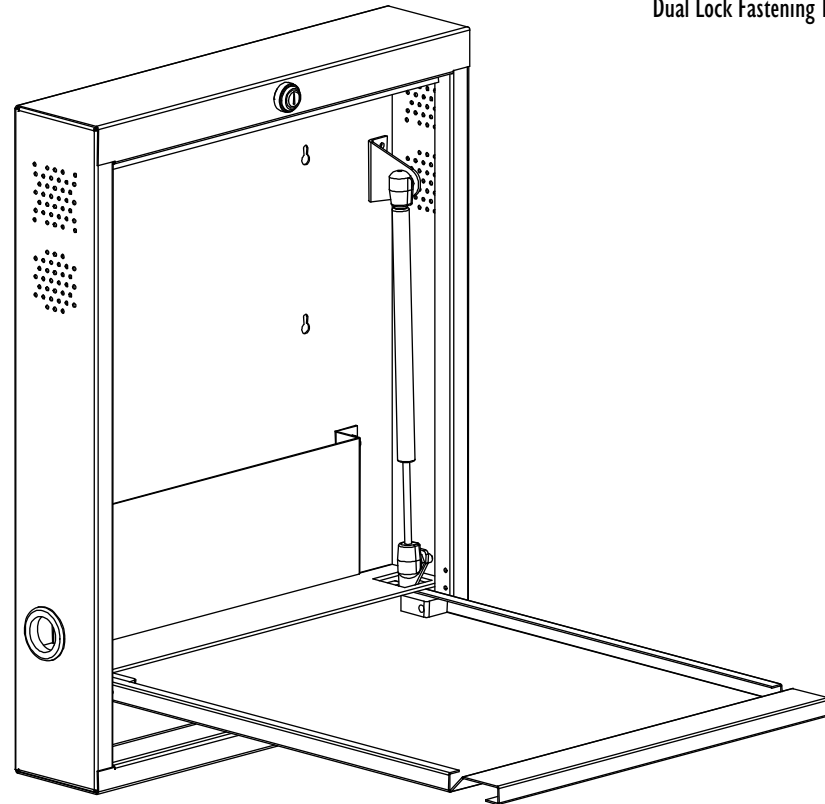

1) To begin installation of your wall desk, use appropriate hardware (not provided) to attach to your wall desk.

2) Included with your desk are four separable pairs of Dual Lock fastening tape. To attach your laptop to the door, first peel the backing from one side of each of the Dual Lock squares. Press each square firmly onto an appropriate spot on the bottom of your laptop. Remove the backing from the other side of the Dual Lock and press the laptop firmly down onto the door.

Your desk is fully assembled and ready for use.
